**Fee: \$20 Adults / \$10 Children (14 under) day of registration**

**Location: Olive and 9<sup>th</sup> Street, Highland IL**

#### **Description of Event:**

This year our ride will feature Steeples located in towns along our route. During this ride, you will pass 6 different church steeples, with architecturally unique features and complimented by the towns that surround them. Our ride starts with a mass start through Highland.

Rest Stops will be located along the short and long routes. The route terrain is rolling to flat, and will allow riders to determine distance during the ride. The optional routes, allow all cyclists to enjoy the ride at their own pace, while meeting some friends along the way. After a group start, the riders will follow marshaled routes for the 20 and 50 mile loops and conclude at the Kirchenfest grounds.

Long Ride will pass through Highland/St Rose/Breese/Germantown/Aviston.

Support vehicles and rest stop will be provided by Bike Surgeon and Cyclery.
